

# The Lemonade Stand

Some of the greatest entrepreneurs arise when a problem in the world is recognized leading to an innovative and creative solution. On the lemonade stand, we are proud to showcase our local young entrepreneurs who have either executed a small business to earn some money, or have brilliant ideas that can be turned into a business to generate income and impact our world in the future. Please make sure to include the following information when submitting your idea:

Please try to keep the information on 1 letter sized page. If using drawings and descriptions, then you may use up to 3 pages. We will be featuring the top 15 Ideas submitted on our back to school issue and two lucky entrepreneurs will also get a cover feature and video interviewed on our website! WE ARE SUPER EXCITED TO HEAR FROM YOU!
